

REACH your customers 1-on-1,
SHOW your support for New Mexico's
largest networking event for business women!

The Celebration of Excellent Women, New Mexico's largest networking event for women business owners and entrepreneurs, marks its 9th anniversary in 2009. Last year, more than 400 women came to:

- learn about products and services that can help their business
- extend their network of friends and colleagues
- talk with – and get tips from – other successful businesswomen
- have a chance at winning one of numerous door-prize drawings

The event is Thursday, September 10, 3 - 6:30 pm, at Sandia Resort & Casino.

- We will again honor a select group of "Excellent Women" who are role models and mentors for business or nonprofit work and involvement in the community
- There will be a complimentary, sumptuous buffet

Come out from behind your desk to meet and mentor New Mexico's entrepreneurial women face-to-face in a relaxed atmosphere – show your support with an exhibit space.

Get terrific visibility for your investment – see our Promotional Packages.
